TERMS & CONDITIONS

The simple legal bit

Plain-English terms covering scope, deliverables, timelines, ownership, cancellation and liability. By signing this document, the Client agrees to the clauses below.

01. Parties & Project

"Base Brands" refers to Base Brands (the agency, registered in the United Kingdom). "The Client" refers to Gia Pop, jointly representing Jesse Gray, Joy Gray and Rocco Valentine. "The Project" refers to the Phase 01 brand development and Phase 02 Shopify website work as scoped above. Phase 03 is excluded from this agreement and will be governed by a separate agreement if and when it is commissioned.

02. Scope & Deliverables

Base Brands will deliver the items listed in the project summary above within the stated timeframes, working days only, beginning on the agreed start date. Both phases include up to two rounds of revisions per deliverable. Additional revisions, scope changes or work not listed are available on request and will be quoted separately before any work begins.

03. Client Responsibilities

The Client agrees to provide brand inputs (existing logo files, moodboard, product information, copy direction, photography or stock direction) in a timely manner, set up and share access to the Shopify account and any other third-party tools needed, and respond to feedback requests within a reasonable timeframe. Delays caused by missing inputs may extend the project timeline by an equivalent amount.

04. Fees & Payment

The total fee is £2,925.00 + VAT (£3,510.00 inclusive). This is split into three equal monthly instalments of £975.00 + VAT, taken on 29 April, 29 May and 29 June 2026. The Client authorises Base Brands to take Payments 2 and 3 automatically using the payment method provided at sign up. A reminder will be sent at least three days before each automatic payment runs. All amounts are stated in GBP. Where the Client elects to pay in USD, the converted amount will be calculated at the GBP/USD exchange rate at the time of each payment.

05. Third-Party Costs

Some elements require costs payable directly to third parties and not included in the project fee. Specifically: (a) the Shopify subscription itself, (b) the cost of the premium Shopify theme (estimated $200 to $300 USD, paid directly to Shopify or the theme provider), and (c) any paid fonts, stock imagery, plug-ins or apps the Client opts to license. The project domain registration is included if not already owned.

06. Intellectual Property

On full payment of the agreed fees, ownership of all final creative deliverables transfers to the Client. Base Brands retains the right to display the work in its portfolio and case studies. Working files, source files and unused concepts remain the property of Base Brands and are available on request. Third-party assets (premium theme, stock imagery, paid fonts) remain governed by their original licences.

07. Confidentiality

Both parties agree to keep all non-public information shared during the project confidential. This includes business strategy, pricing, customer data, draft creative, product roadmaps and anything reasonably understood to be confidential. This obligation continues after the project ends.

08. Cancellation

Either party may cancel this agreement by giving written notice. If the Client cancels, all work completed up to the point of cancellation is payable in full, and any remaining automatic payments will be stopped. Already-paid amounts are non-refundable in respect of work completed. If Base Brands cancels for reasons other than non-payment, any payments taken in advance for unfulfilled work will be refunded on a pro-rata basis.

09. Failed or Disputed Payments

If an automatic payment fails, the Client will be notified and asked to settle within seven days. Continued non-payment beyond fourteen days may result in work being paused until payment is brought up to date. The Client agrees to notify Base Brands of any disputed charges in writing within seven days of the payment date.

10. Liability

Base Brands is liable for the quality and timely delivery of the work as agreed. Base Brands is not liable for indirect, consequential or third-party losses, lost revenue, or damages caused by Client-side issues (such as the Client's own infrastructure, hosting, payment provider, or independent decisions made on the work delivered). Total liability in any event is capped at the total fees paid under this agreement.

11. Governing Law

This agreement is governed by the laws of England and Wales. Any disputes will first be addressed in good faith between both parties; if not resolved, the courts of England and Wales have exclusive jurisdiction.

12. Variation

Any change to this agreement must be made in writing and agreed by both parties. Email confirmation between Base Brands and the Client is sufficient for minor variations such as schedule changes within phase. Substantive changes to scope, fees or deliverables require a written amendment.
